The schedule will state the times within which articles will be required to be delivered; and where the printed schedule is not used the pariods stated in it for deliveries must be copied in the bids. All the articles which may be contracted for must be delivered at such place or places, including drayage and cartage to the place where used within the navy yards, respectively, for which the offer is made, as may be directed by the commanding officer thereof; and, all other things being equal, preference will be given to American manufactore. No article will be received after the expiration of the period specified in the schedules for the completion of deliveries, unless specially authorized by the department.

It is to be provided in the contract, and to be distinctly understood by the bidders, that the amount and number of articles enumerated in classes baside it mis callaneous? are specified as the probable quantity which may be required, as well as to fix data for determining the lowest bid; but the contractor is to furnish more or less of the said cumerated articles, and is such quantities, and at such times, as the bureau or commandation may require; such increase, however, not to exceed one-third of the quantities stated, (and requisitions cent through the post office shall be deemed smilleent notice) during the facal year ending 30th June, 1858; and whether the quantities required be more or less than those specified the prices shall reliable the same.

All the articles under the contract must be of the best quality, delivered in good order, free of all and every charges or expense to the government, and subject to the inspection, count, weight, or measurement of the said navy yard, and be in all respects satisfactory to the commandant thereof. Bidders are referred to the yard for plans, specifications, or samples, and any further description of the articles. Contractors for classes headed "miscellaneous," to be delivered as

within thirty days after the presentation of bills, in tripically vouched and approved.

No part of the per centure reserved is to be pald until all the rejected articles offered under the contract shall have been removed from the yard, unless specially authorized by the department. It will be stipulated in the contract that, if default shall be made by the parties of the first part in delivering all or any of the articles mentioned in any class bid for, of the quality and in the times and places above provided, then and in that case the said parties will forfest and pay to the United States a sum of money not to exceed twice the amount of such class; which may be recovered from time to time according to the act of Congress, in that case provided, approved March 3, 1843.

Clerk's Office, March 31, 1857.

In pursuance of the seventeenth section of the act of Congress of the 26th August, 1842, suitlied "An act legalizing and making appropriations for such necessary objects as have been usually included in the general appropriation bilts without authority of law, and to fix and provide for certain incidental expenses of the departments and offices of government, and for other purposes," scaled proposals will be received at this affice until Monday, the 1st day of June next, at 12 o'clock, m., for furnishing the following articles of stationery for the use of the House of Representatives during the Thirty-sith Congress, viz:

centre of the lappets.

By the act approved June 17, 1544, the Secretary of the Senate is "directed to confine his purchases exclusively to articles of the growth and manufacture of the United States, provided the same can be precured of such growth and manufacture of suitable quality, and at reasonable prices, upon as good terms as to quality and price as can be obtained of foreign growth and manufacture." A preference will therefore be given to the productions of American industry; and all persons making proposals to supply any article will state whether the same is of the growth and manufacture of the United States.

The articles must be delivered at the office of the Secretary of the

Senate at Washington, free of any charge for carriage, on or before the 10th of September next.

BY THE PRESIDENT OF THE UNITED STATES. IN pursuance of law, I, FRANKLIN PIERCE, President of the United States, do hereby declare and make known that a public sale will be held at Jowa Point, Boniphan county, in the Territory of Kaneas, commencing on Tuesday, the fifth day of May next, for the disposal of such of the lands held in trust by the United States for the hencelt of the lowa tribe of Indians as are situated within the undermentioned townships of land in said Territory, and ceded by said Indians in trust as aforesaid, to wit:

Townships six, soven, eight, nine, and ten, of range eighteen.

The terms of said sales will be cash, and no bid will be received below the valuation placed upon the several tracts by the commissioners duly appointed for the purpose of classifying and valuing the same; and upon payment being made, receipts in duplicate will be executed therefor, one of which will be delivered to the purchaser.

Patents will subsequently be issued for the lands so purchased in accordance with the laws in force regulating the issue thereof. The offiring of the above lands will be commenced on the days respectively appointed, and will proceed in the order in which they are advertised, with all convenient despatch, until the whole shall have been effered and the sales thus closed.

All purchases not paid for on the day of sale will be reoffered on the following day at the risk of the defaulting purchaser.

Given under my hand at the city of Washington this twenty sixth day of February, eighteen hundred and fifty-seven.

FRANKLIN PIERCE.

By the President:
GEO. W. MANYPENNY,
Commissioner of Indian Affairs.
N. B.—No newspaper is authorized to publish the foregoing advertisement without special instructions to that effect from the Commissioner of Indian Affairs.
Feb 28—JawtiJune.

Change of the Place of Sale of the Delaware Trust Lands in Kansas.

Notice is hereby given that the place of sale of the Delaware trust lands in Kansas Territory, advertised to take place at Lecompton on the 23d day of Jame next, has been changed to, and will commence at, Osawkee, in said Territory, on the same day and date.

Office of Indian Affairs, April 11, 1857.

Office of Indian Affairs, April 11, 1857.

OTICE is hereby given that the days designated in the foregoing proclamation for the commencement of the sale of certain Indian treat lands are changed and postponed to the following periods:
Iowa lands, at lowa Point, to Wednesday, 3d day of June next.
The lands of the Weas, &c., at Paoli, to Wednesday, 24th day of June next.

June next.

Delawarc lands, at Osawkee, to Wednesday, 15th day of July next.

By order of the Secretary of the Interior:

CHARLES E. MIX.

United States Patent Office,

Washington, April 8, 1857.

N the petition of Harriet V. Terry, administrapraying for the extension of a patent granted to the said Win. D. Terry, of the said win. D. Terry, on the 12th day of July, 1843, for an improvement in "cast iron pavements," for seven years from the expiration of said patent, which takes place on the 12th day of July, 1857—
It is ordered that the said petition be heard at the Patent Office on Monday, the 29th of June next, at 12 o'clock, m.; and all persons are notified to appear and show cause, if any they have, why said petition ought not to be granted.

Persons opposing the extension are required to file in the Patent Office their objections, specially set forth in writing, at least twenty days before the day of beaxing. All testimony life, by either party to be used at the gaid bearing must be taken and transmitted in accordance with the rules of the office, which will be furnished on application.

cordance with the rules of the onice, which will be desired in plication.

The testimony in the case will be closed on the 19th of June; depositions, and other papers relied upon as testimony, must be filed in the office on or before the morning of that day; the arguments if any, within ten days thereafter.

Ordered, also, that this notice be published in the Union, Intelligencer, and Evening Star, Washington, D. C.; Republican, Baltimore, Md.; Pennsylvanian, Phaladelphia, Iv., Daily News, New York, N. Y.; and Post, Boston, Mass., once a week for three successive weeks previous to the 20th of June next, the day of hearing.

CHARLES MASON,
Commissioner of Patents.

W. S. WOODSIDE,

MOUNT WASHINGTON FEMALE COLLEGE, attution, located at Mount Washington, six miles out on the Northeria Central railroad, and chartered by the Maryland legislatore, will open on the first Wednesday in May, 1857, with a full faculty of experienced instructors, consisting of five gentlemen and several badies. This college is all that could well be dealred for the purposes of a finished female citucation. No pains or expenses have been spared to make it what it ought to be in all respects. The locality is highly substituted in the State. The shady and beautiful grounds afford ample seeps for pleasant waits and healthful recreation. The building is a large, imposing brick edifice, (crecied expressly for a first class formate college) thoroughly ventilated, fighted with gas, handsomely furnished, water supplied to each story, and has accommodations for about 100 boarders. The establishment is very complete, costing as less than \$40,000. During this the first year of its operation, it amends and few George Lewis Scaley, Principal, Mount Washington, Maryland.

[President of the Board of Visiters.]

Washington, February 20, section of parties coming before the court under the lat section of the act of January 10, 1857, that they will respectively be advised by the department when their cases shall have been referred to the court; and that it is desirable that in presenting themselves they should come prepared with a list of such witnesses as they may be sire to have summinded, specifying to which of the respective heads of "fitness for the maval service" mentioned in the act their testimony is to be applied respectively; and suggesting the delay, if any, which may be required; and in respect of what witnesses.

J. M. CARLISLE, Judge Advocate.

I MPORTANT TO COTTON PLANTERS, by which their incomes must be doubled.—The indereigned has invented and obtained letters patent from the United States for the arrangement and combination of machinery for converting need containing the various proposes, from the gin through the various preparation and spluning machinery, until it is ready for should be appeared by the various preparation and spluning machinery, until it is ready for should be appeared by the various preparation and spluning machinery.

into yarns by one continuous process, from the process in the process of the process will be at least ten per cent.

The saving from waste by this process will be at least ten per cent, and yarns made from the fibre (unbroken and uniquired by the operations of the machinery of the present process used to open and dientangle it) will be about fifty per cent, stronger and heavior, and will command the markets of the world, distancing all competitions as advanced prices.

The undersigned is prepared to dispose of privileges to use his patent; and planters will be informed as to terms, with complete in structions how to use it, how to obtain the best machinery, and all other necessary particulars, on application addressed to the control of the processory particulars, on application addressed to the processor of the
